

Under the Weather Take-Out Meal

What do you do when you are sick and stuck in bed for food? Come on, everyone knows you need to feed a cold!

The answer is simple, order an under the weather meal from Dining Services. It works as a meal swipe; all you need to do is send this slip with your name and room number to Cheatham Dining Hall with your Paw Pass and your to-go box or tag. Your roommate or friend will then be given a to-go box to take food home to you.

Don't be foolish and try to bring over the slip to Cheatham yourself, send a friend or roommate. Stay in bed where you belong until you are healthy.

Your Name: _____

Paw Pass #: _____
